

Due to circumstances arising from COVID-19 (Coronavirus disease), we are changing some of our live on-site classes to live virtual (online) classes. This decision has been made as the result of our commitment to the health and safety of our students, our employees, as well as our community. STC will continue to closely monitor the situation and provide updates as necessary.

Below is a list of on-site classes that have been affected and the new online class offerings.
